

Welcome to Cadbury Sixth Form College...

We hope you will find the Open Day both interesting and useful. Staff and students will be happy to answer any questions you may have and the Principal will be giving short presentations in the Performance Theatre.

Senior staff may also be consulted about course combinations, choices and any other matters.

Cadbury Sixth Form College offers a wide choice of Advanced Level Courses. The majority of our students study 4 AS courses in their first year.

The AS subjects that you end up studying are likely to be unique to you and it is therefore important that you take time to meet with, and talk to teachers in the subject areas that are of interest to you.

If you have come with friends, you should arrange to meet up at the end of your visit.

If you require First Aid, please go to Reception and ask for assistance.
