

28th November 2011

Dear Parents

INDUSTRIAL ACTION – 30TH NOVEMBER 2011

You will know that many public sector unions are taking industrial action on 30 November 2011. The unions are demonstrating against Government plans to change the terms of their pensions.

Many staff at Cadbury College are members of the recognised unions and it is our understanding that most will join the day's action.

I am writing, therefore, to inform you that we have no choice but to close the college to students on Wednesday, 30 November. All other college services will operate as normal.

With kind regards

Jeremy Rogers
Principal
